JULY 10, 2017 | SANOG 30 DELHI

IX & Peering Personals

- A 60 second introduction to **your network and your peering information or IX**
- Make sure your network name and ASN is out there
- Make sure your peering locations and policy is presented
- Make sure your contact information is seen

Who should present?

- Every network; if you are in the room!
- Do you still have time to build a presentation?
- YES! Email a PowerPoint to **events@mumbaich.com**
